J BLACK VANITY COLLECTION

John Black is the creative visionary behind some of the most compelling furniture designs in the world. Known for an understated, classic approach to furniture forms that captures the essence of traditional silhouettes combined with modern touches, he is an artist with a critical eye for scale and proportion. This unique vanity collection was created exclusively as a strategic partnership between J Black and Creation Hospitality.

SURFACES

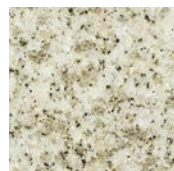

GRANITE

Incorporate the beauty of granite in your next vanity design. All our granite slabs come directly from the quarries in Brazil, India, Italy, Spain, Greece, Turkey, Russia, Pakistan, and throughout Asia. With many granite options to choose from, and no two granite slabs alike, the possibilities are virtually endless.

ONYX

Another beautiful alternative to granite and marble, and one of the most popular luxurious stones in the market is Onyx. Imported directly from Pakistan, these elegant and sophisticated array of colors is formed in specific caves as stalactites and stalagmites drip to form this semi-precious stone. This exclusive stone can be used in most indoor applications.
